6. Once an invoice has been submitted, you will receive a confirmation page. Close the tab, return to the main page and refresh your screen.

7. When you refresh the main page, you will notice that the “Date Invoice Submitted or Returned” column will change. The system records the time and date that the invoice was submitted and also stamps it on the record that the Charter School (CS) receives. In the column directly to the right you will be able to see the status of the invoice, whether it has been returned by CSs’ Accounts Payable department or not.

If PO is returned to the vendor by CS Accounts Payable, you will receive an automated email with the PO number in the subject line and will be directed to login and view the reason why it is being returned. To view a return reason, log back into the Vendor Login by following steps 1 and 2 and look at the far right columns. The “Returned” column will read “Yes” and the “Note to Vendor” column will have the reason. If the return reason states that the lessons were billed prior to completion of the lessons, you can resubmit the invoice after the lessons have been completed by following steps 5 and 6.
